

Findings From the East

Greetings Brethren:

I hope that each of you are doing fine and enjoying the summer season.

As you are aware from the previous newsletter, our Family and Friends Night will be this Friday, June 20. We will open the lodge at 6:00pm; a covered dish dinner will follow at 6:30pm. The lodge will be providing the meat, so plan to bring two or three covered dishes for the meal. Please invite your family and friends to join us at 6:30.

There will be a Blue Lodge/Eastern Star dinner on Friday, August 15 at 6:30pm. Once again, the lodge will open at 6:00pm, and a covered dish dinner will follow. This will be an open meeting as well, so please bring your wife. Second Grand Steward Edgar Land will be speaking this night.

There are still a few members who have not paid their dues. If you are one of these who have not paid your dues, please do so now.

Again we will be recognizing those who were raised in the months of July and August during our upcoming meetings. Those to be recognized on July 1 are:
